The Brother FAX-2920

This professional, Super G3 laser fax machine with its multitude of features produces high quality results, making it the clear choice for any office-based environment.

East to operate
Outstanding performance from a laser fax with a user-friendly control panel

Up to 20 page Automatic Document Feeder**
Fax and copy multi-page documents quickly and easily

One-touch dial locations
Convenient for storing frequently dialled numbers

FAX-2920

- Laser Super G3 Fax
- Laser Digital Copier
- Laser Printer - with free download*
- PC Fax Send - with free download*
- Integrated Telephone Handset
- Up to 250 Sheet** Paper Capacity
- Up to 20 Sheet** ADF

A compact and stylish fax machine that frees up extra space in the office whilst still providing the high standard of performance modern business users demand.

Easy-to-use features that will make a difference everyday

The FAX-2920 adds style and performance to any office. This fully featured laser fax machine with back-lit LCD display has a compact design and front loading paper cassette tray, which makes it the ideal solution when space is limited.

Designed for small to medium businesses, multiple users can easily share the benefits of this laser fax machine. Its innovative design incorporates a high capacity, front-loading paper tray that simplifies paper handling. This feature-rich model is equipped with a fast modem to reduce transmission time, abundant memory for worry-free fax storage, and a built-in USB interface.

High speed 33.6K bps SuperG3 fax modem

This high performance Super G3 laser fax, with 20 one-touch dials and 200 speed dial locations, makes communication with your most regularly used numbers both quick and efficient. Up to 500 pages can be stored in the fax memory for out of paper reception or transmission.

Fax throughput is optimised with a modem capable of transmitting as fast as 2 seconds per page, or slowing down automatically to communicate with slower machines.

- 20 one-touch dials
- 200 speed dials
- Up to 20 page ADF**
- Up to 500 page memory***

PC Fax

The PC FAX feature allows the user to send faxes from any desktop application in either Windows® or Mac® environment, as easily as sending a print job. In addition, the user can broadcast the same document to multiple fax numbers using Brother PC Fax address book.

Laser Digital Copier

Fast, professional, mono copying with automatic document feeder and advanced copy features, allowing you to create professional mono copies at the touch of a button. Reduce paper usage and costs by copying 2 or 4 pages onto one A4 sheet.

- Sheetfed copying
- Up to 99 Multiple-Copies
- Stack and Sort Functions
- 2-in-1 and 4-in-1 Copying
- Up to 250 sheet paper capacity**

**@80gsm paper

***ITU-T Test Chart No1

Integrated telephone handset

Designed to compliment the style of the fax machine, this handset fits snugly into the overall package, allowing the user to make and receive calls without having to invest in a separate handset.

All the convenience of printing/copying

Along with convenient copying features, the inclusion of a USB 2.0 Full Speed interface means that, by downloading the free printer driver option from <http://solutions.brother.com>, you can turn your FAX-2920 into a high quality laser printer.

Free Software to increase performance

At Brother we are always looking to increase the performance of our products. To extend the capabilities of your Brother fax machine you can download the following free software for added functionality.

- **PC Fax Software** - Send faxes from your PC
- **Printer Drivers** - Print documents from your PC

For further information on compatibility see the Systems Requirements table on the reverse of this leaflet. Downloads available from <http://solutions.brother.com>

Environmentally Friendly Features

ISO 14001

As one of Australia's leading Fax and Multi-Function Centre® manufacturers, Brother takes its environmental responsibilities very seriously. Brother Faxes are ISO 14001 compliant meaning that they are manufactured in accordance to international environmental standards.

Separate Toner and Drum

All Brother Laser Fax machines come with a separate drum and toner cartridge. Unlike some other laser fax products, when the toner runs out or drum wears out simply replace that item. Another feature from Brother that saves you money and is better for the environment.

Brother Consumables

TN-2025 - Standard toner - Up to 2,500 pages
DR-2025 - Printing drum - Up to 12,000 pages

Low running cost

The toner and drum are compatible with other selected Brother Multi-Function Centres® and Printers. This reduces the stock of consumables required to keep all your machines working at their optimum efficiency.

Cartridge Recycling

Brother is proud to be a Major Sponsor of the 'Cartridges 4 Planet Ark' recycling program. This Australia wide program recycles printer cartridges with zero waste to landfill, guaranteed. Brother are committed to supporting initiatives which help to ensure the long term sustainability of the environment.

Technical Specification

General	
Engine	Laser
Handset	This model is fitted with an integral handset as standard
LCD Display	1 line x 16 characters
Illuminated Function Keys	Fax, Copy function keys are illuminated for ease of use
Back-up for clock	Keeps time and date backed up for 4 days

The Fax-2920 comes supplied with one TN-2025 (2,500 pages) and one DR-2025 (12,000 pages)

Brother strongly recommends that our customers use Genuine Brother consumable products only. By using genuine Brother consumables the benefits to you are:

- Better quality prints
- Greater yields per consumable
- Protect your machine from damages
- Achieve optimum performance.

Your machine warranty may not cover any damages arising from the use of non-genuine Brother[®] consumables.

Your machine should be used only in a clean, dust-free environment

Front loading consumables makes it easy to change the toner or drum

Paper tray under machine ensures a compact design

Built in telephone handset for a fully integrated office solution

User friendly control panel makes it easy to use the FAX-2920
